## 7. About Future Link

### Who We Are

Future Link Education is an international education consultancy helping students take the next step toward studying and building their future in Turkey.

### Our Mission

To make international education simpler, more accessible and more supportive for students.

### Our Vision

To become a trusted education partner connecting students from Africa and other international markets with educational opportunities in Turkey.

### Our Values

**Integrity | Student First | Professionalism | Transparency | Growth**

## 8. Why Future Link?

### More Than an Application

A student shouldn't feel that Future Link simply takes their documents and sends them to a university. The website should show the complete journey.

| Step          | Future Link role                        |
|---------------|-----------------------------------------|
| 01 — Discover | We understand your goals.               |
| 02 — Choose   | We help you identify suitable programs. |

|                         |                                                   |
|-------------------------|---------------------------------------------------|
| 03 — Apply              | We manage your application process.               |
| 04 — Prepare            | We assist with visa and pre-arrival requirements. |
| 05 — Arrive             | We help you settle in Turkey.                     |
| 06 — Start Your Journey | You begin your studies with support behind you.   |

## 9. Contact Page

### Let's Start Your Journey

WhatsApp • Phone • Email • Office Location • Social Media

Main call to action: Talk to a Future Link Advisor

**[ WhatsApp Us ]**

### Floating WhatsApp Button

Keep a floating button visible at the bottom of the screen:  Chat with Future Link

Suggested opening message: "Hello Future Link, I'm interested in studying in Turkey. I'd like help choosing a university."

## 10. Website Design Direction

- Simple, clean and attractive rather than text-heavy.
- Modern, student-focused design.
- High-quality Istanbul and university campus photography.
- Future Link logo and brand identity used consistently.
- Mobile-first design.
- Clear buttons guiding visitors toward applying or contacting Future Link.
- WhatsApp visible throughout the website.
- Built so future features such as a student portal, application tracking, document upload and university database can be added later.

### Website Goal

**Build trust → Explain the service → Make the student feel supported →  
Convert the visitor into an application or WhatsApp conversation.**
